Friends,

Chester Monthly Meeting will be hosting a discussion group for Friends concerned about the processes to be used in the upcoming yearly meeting session(s) regarding marriage equality. Please note: our intent is not to discuss marriage equality but rather the process through which the sense of the meeting is to be achieved at yearly meeting.

We invite you to join us on Wednesday, July 19 at 7 p.m. at Chester Friends Meeting.

Please share this invitation with other Friends who may share this concern and wish to join us in thoughtful discussion.

In F/friendship,

Jonda Hamilton
Clerk of Ministry and Counsel
Chester Monthly Meeting
